Pallet Truck Accessory Plastic Stretch Wrap Caddy 5"L x 4"W x 3"H Dark Gray

MODEL PTA-P-SWC

Fork Truck Attachments / Stretch Wrap Caddy

PRODUCT OVERVIEW

In warehouses stretch wrap is seemingly always required. But, rolls of wrap can often be elusive; gone the second you need it. That's where the stretch wrap caddy comes in! The stretch wrap caddy is built to hold rolls of wrap when your hands are otherwise in use, like driving a pallet truck. The caddy can be attached to the exterior of the pallet truck in any position that fits the users preference and ready for use in a matter of minutes. So stop wasting precious time looking for the roll of stretch wrap and just remember it's in the last place you left it; in the stretch wrap caddy!

KEY FEATURES

- Built of durable plastic
- Pre-drilled mounting holes
- Mounting screws included
