Steel Roll Fork Attachment For Narrow Mast Stacker Models Black

MODEL SLNM-AA-RFK

Ergonomic Solutions / Narrow Mast Stackers with Powered Lift

PRODUCT OVERVIEW

A roll fork is a wonderful accessory to the powered lift stacker. With a resilient design, the fork provides a more resourceful way to handle rolls. When the fork is in place and the roll is secured, the user is able to maneuver heavy rolls efficiently to the desired location.

KEY FEATURES

- Design length enables use with a variety of sizes
- Robust steel construction
- Simply attached
- Smooth finish minimizes abrasions
